## **ADDITIONAL EMPLOYMENT**

Editor-in-Chief, Today Publishing LLC; Philadelphia, PA — 2007-2009

Design, edit and contribute to *Physician License & Practice Today (PL&P Today)*, a quarterly publication designed specifically for physicians in training. The magazine is distributed to every hospital residency program across the nation along with many accredited medical schools in both the United States and the Caribbean. *PL&P Today* and corresponding website respond to the needs of medical students and residents by providing information essential to a physician's professional and personal development, by focusing on topics such as: the business of medicine, financial guidance, personal health and wellness, women in medicine, medical legal, technology, case studies, as well as travel and leisure.

Editor-in-Chief, Today Publishing LLC ; Philadelphia, PA — 2007-2009

Design, edit and contribute to *PreMed Today*, a quarterly publication provides college students with the most current, relevant and straightforward information on medical schools and how to get in. There are many confusing and distracting issues surrounding medicine, which causes the uninformed a lot of stress and anxiety. By informing premedical students about these issues we cut through the confusion, decrease the stress,

and help them to focus on become in a doctor.
